Business Reform Action Plan 2017 by DIPP

Area : Availability of land

Recommendation 214: Design and implement a GIS system to provide details about the land earmarked for industrial use across the State

Recommendation 215: Ensure that the GIS system provides details about available infrastructure such as road, water, electrical substation and poles, proximity to National/State highways, Railway lines etc. for all industrial land banks of State

NOTIFICATION

Under the recommendations proposed by Department of Industrial Policy and Promotion (DIPP), Government of India in Business Reform Action Plan, 2017, Goa Industrial Development Corporation (GIDC) clarifies that at present there is no land available for industrial use. Hence, the need for GIS system for earmarking land for industrial use does not arise. In this regard recommendations 214 and 215 do not hold good for the state of Goa.
