

No.2/Misc/SGM/2018-19/152,
Office of the,
Range Forest Officer,
Sanguem – Goa.

Date: 02/07/2018.

To,
The Dy. Conservator of Forests,
South Goa Division,
Margao – Goa.

Sub: Preparation of Enumeration list in the plot in Industrial Estate area..
Ref: No.5/GIDC/GEN/DCFS/2018-19/964 Dated: 29.06.2018

Sir,

With reference to the subject cited above, it is submitted the under signed has physically visited the Sanguem Industrial Estate site along with the representative of Field Manager of the Industrial Estate. The full area recognizance survey was performed and it was found that many plots are unoccupied and so lying unattended for quite long time, full area is packed with thorny bushy growth, embedded with climbers and weeds. It is not easy to ingress into the area. The area has to be cleaned and cut to get rid of thorny vegetation. At present due to heavy incessant rains it is not possible to prepare the assigned job/ work.

The user agency is requested to assist and help this office in cleaning and providing a easy access for doing the needful.

This is for favour of information and further necessary action.

Yours Faithfully,

(S.D. Naik)

Range Forest Officer,
Sanguem – Goa.
