## Business Reform Action Plan 2017 by DIPP

**Recommendation No. 235:** Define clear timelines mandated through the Public Service Delivery Guarantee Act (or equivalent) legislation to grant construction permits including all required approvals; pre-construction, during construction and post construction towards building plan approval

**Recommendation No. 238:** Define clear timelines mandated through legislation for sanctioning of building permits in 30 days towards building plan approval

**Recommendation No. 239:** Stipulate that construction permits are provided within 45 days

- I. Building Plan approval is provided within 30 days
- II. Plinth Inspection is done within 7 days of intimation
- III. Final completion/occupancy certificate is provided within 8 days (7 days for inspection + 1day for issuing the certificate)
